Honesty in House-Furnishings!

Is just as essential to the prospective buyer as a sound bank should be to an investor. This is the principle we have been endeavoring to build up for years and today, as in the past, we will tell you HONESTLY to the best of our judgment just what an article is.

What it represents in workmanship, worth and durability. Our experience of fifteen years in business may be worth something. If it is, it belongs wholly to you, the customer. This should be fully understood. Compare our prices, values and methods of doing business, with others. In this way you can HONESTLY arrive at the right conclusion.

Honest value in 11 piece Oak Chamber Suites at \$25.00, \$27.00 and \$29.00 have made our store famous for these goods. Straw Mattings at 12 1/2c to 60c are all in as well as Lace Curtains for the Spring business.

Our line of 1906 Go Carts cannot be excelled. A fine Cart with full upholstered sides and seat, white top parasol, large rubber tired wheels, adjustable back and dasher at \$10.00 is one of our leadeas. Ask to see the Polished Oak Go Cart, it is a beauty and entirely new.

The SOAP ORDER branch of our business has passed its experimental stage. It is simply beyond our expectations. The interest that has been shown already and the orders that have been taken will guarantee its continuance. We believe it is what the mass of the people in this vicinity have wanted. We shall be glad to answer any correspondence or enlighten you in any way concerning this plan. We shall issue price lists of the Soaps and Toilet products a little later. Call and see these things. It is no trouble to show you.
